## SCOUTING AT HOME

### Whyalla Joeys Week 5

Here is the week 5 scouting at home program. Who had fun in week 4 doing ANZAC Day activities? Have you started your Special Interest Areas project yet? Don't forget to contact your leader with your plan before you start.

#### Your challenge for this week is

- **Backyard Scavenger Hunt** – Can you find all the items on the list below or try out the **Nature Walk Scavenger Hunt** in your backyard. The bingo sheet is included.
- **Mothers Day** is just around the corner why don't you a coupon book and card for your mum. A printable copy of the coupon book is included and some card ideas. Have Fun!
- **Challenge from Scouts SA Branch – Creative** Make a model miniature campsite

### CAMPING AT HOME – VIRTUAL CAMP

**Have you tried out Camping at Home yet? Just set up your tent and off you go**

It's not too late to register to join the world record attempt. Australia registrations are being organised by Scouts WA. Use the link below to register your participation in the Virtual Camp. (You don't have to register to just join in)

The Scouts WA coordinators will organise a certificate, signed by the Scouts WA Chief Commissioner, confirming your participation in the Virtual Camp.

## Backyard Scavenger Hunt

- A bucket
- A seed
- Something you can eat
- A weed
- Something yellow
- 5 leaves that look different
- A stick that is longer than your hand
- A flower
- A flat rock
- Something you love to play with
- A piece of trash you can recycle
- Something that is brown
- Something that is heavy
- Something that is very light
- Something that needs sun to live
- Something that starts with 'M'
- Something that smells good

## Nature Walk Scavenger Hunt

Oftentimes in a scavenger hunt, objects are hidden throughout the search area and then we search out these items. However, instead of looking for pre-hidden objects, we're encouraging you to take your learning outside by going on a nature walk around your local park.

### Instructions

1. Print off a copy of our Nature Walk Scavenger Hunt BINGO
2. Head off on your Nature Walk. If you have a **front or backyard** at home, you can start your scavenger hunt there and spend some time exploring nature.
3. Remember to wear a hat and sunscreen and to observe social distancing rules by keeping a distance of at least 1.5 metres between yourself and other people
4. See if you can find as many of the items on the list as possible, paying close attention to your surroundings. Bonus points if you spot any native flora and fauna

### Reflection

Doing a nature walk not only gets you outdoors and moving, but it's also an opportunity for you to learn all about the natural environment. Nature walks offer something different for you to explore – even if you walk the same trails from one day to the next. Autumn is a great time to observe the changes in plants and animals as the weather shifts. Did you discover different animals or plants you had never noticed or seen in your local park before?

## How to Make a Mother's Day Coupon Book

### Supplies Needed

- Printable coupons
- White paper
- Scissors
- Markers, crayons, or coloured pencils
- Hole punch
- String, twine, or ribbon

### Step 1: Colour the Coupons

Print the black-and-white colouring pages, and let them colour any way they like!

### Step 2: Assemble the Coupon Book

This DIY coupon book is easy to assemble. Simply punch a hole in the corner of each coupon and tie them all together with colourful twine or ribbon

## Challenge for the week from Scouts SA Branch - Creative

After our Challenge from last week (Camping) it's time to get Creative and make a model miniature campsite!

Instructions for this week's challenge are included in the email. What will you use to build your miniature campsite?

### Photos

We would like to share photos of your Joeys doing these activities with other members of our group and our scouting community via social media.

If you wish to be **excluded** from social media posts PLEASE tell us or only send photos with your scout facing away or just their work/creation, camping area, ect ..

Text to 0424710476 or email to [bristowd88@gmail.com](mailto:bristowd88@gmail.com) (photos only)

### Note for Parents

Your Scouts will likely need some help and guidance with this these activities. Our aim is not to make more work for you but to keep our scouts engaged and entertained. We also understand you may not be able to do some activities as you do not have the recourses or equipment.

Happy Scouting and Stay Safe
