

## RPN Venturer Unit - Online Venturer Meeting Planning

### WHAT ARE OUR CURRENT LEARNING OBJECTIVES AND HOW COULD THEY BE DELIVERED ONLINE/REMOTELY?

COMMUNITY	OUTDOOR	CREATIVE	PERSONAL GROWTH
Write letters to council asking for change or support in certain areas eg climate change, pollution, recycling,	Camp inside your garden	Learn how to paint, with watercolour, charcoal, crayons, pencils, ect. Create an online watch party and paint to bob ross.	Watch a religious service streamed online and reflect on your beliefs. Group call afterwards
Help the community stick together by having a video call with an aged care facility, rsl, ect	Go for a mindfulness walk around the garden	Design a badge, unit shirt, scarf for your unit. Create a custom woggle	Participate in philosophy thought experiments and discuss your opinions and ideas
Research a local MP and understand what they are running for.	Yoga in the garden	Write a book	Teach yourself a skill you have wanted to learn for awhile eg. how to juggle
Identify an issue in your local council and research how you may help it out	Martial arts in the garden	Use design thinking to innovate or design your perfect wallet or anything else	Learn about the different styles of leadership and how you could apply them on a day to day basis
Organise a partnership with a local organisation and create a joint initiative	Meditation in the garden	Learn how to play a musical instrument or learn a song you have been wanting to learn. Write a song and record it	Challenge a friend to both learn a skill and compare your development
Write an article for your local newspaper about your unit	Construct a treehouse in your backyard	Teach yourself the basics of singing	Read a book you have been meaning to read.
Contact a scout from a different country and ask how they are going. Learn how they run scouts, what	Construct a bird box feeder	Create a scrapbook of all of the photos you have taken on your scouting adventures or in life	Learn about health and wellbeing and create yourself for a plan of how you can take care of yourself.

traditions do they have and bring them back to our regular meeting, Eg. Italian scouts.		to keep as a memory.	
Help tutor disadvantaged youth online who can't access extra support due to schools closing down	Construct a survival shelter and learn about surviving out bush. Learn how to collect water from tree branches.	Design thank you cards for people who you want to tell	Learn about mental health, disabilities and inclusion. Simple experiments you can do such as trying to cook while blind folded (need someone supervising you)
Learn about disability or inclusion through talking with people who are effected	Do an edibility test with the plants in your garden to see if they are safe to eat	Learn to knit, or sew and make a scarf to wear or donate	Learn about communication and how to effectively communicate. While talking through email and phone a lot of problems occur in communication
Talk to someone and get them to teach you something	Break in a new pair of hiking boots, or practice carrying a hiking pack	Create a video skit and record yourself acting in it	Do scouts central online e-learning as you can start it before turning 18

<b>SOCIAL</b>	<b>PHYSIAL</b>	<b>INTELLECTU AL</b>	<b>CHARACTE R DEVELOPM ENT</b>	<b>EMOTIONAL</b>	<b>SPIRITUAL</b>
Interact with others through social media	Being healthy and fit, through exercising at home and healthy food consumption	Acquiring new information online or through talking with others	Creating an identity by focusing on your personal needs.	Become emotionally aware by listening to your body	Explore beliefs from online services and stopping and reflecting
Become aware of the	Being adventurous	Showing initiative by	Showing autonomy by	Express your feelings to	Respect for others and

world around you through reading news	through exploring your backyard and watching the stars	tailoring your learning to yourself	establishing your moral grounding.	friends online and open up to people around you.	what stress or feelings they may have.
Find out which communities you are a part of and understand your relationship to them. Eg Australian citizenship, what does it mean	Being physical through learning about your bodies wellbeing	Learn to adapt to electronic scout life and plan and review how you best do it	Demonstrate a positive attitude to the situation of crisis we are experiencing . It is “not-un Australian” to feel fear. It is Australian to be courageous and fight for what is right.	Respect other people's boundaries and help other people.	Be thankful for what you have, and connect with the people who haven't talked to

<b>COMMUNITY INVOLVEMENT</b>	Write a letter to your local council, RSL, Aged care about an issue or establishing a Pen Pal. Research about your local council, or ministers and learn what is happening in your community.
<b>LEARNING BY DOING</b>	Assigning practical tasks which could be completed at home. For example, packing a bug out bag/hiking pack, designing a survival shelter, testing out suitable hiking meals and learning applications of knots.
<b>NATURE AND THE OUTDOORS</b>	Exploring nature through your backyard, exploring and learning about the types of plants or insects that inhabit it, setting up and cleaning tents, gazing at the stars and identifying constellations, yoga on the grass, meditation, sleeping or exercise.
<b>PATROL SYSTEM</b>	Group work for siblings, using design thinking principles to solve a problem, video or voice calls, planning meetings or camps for the future, creating a project patrol for a major activity for the unit and organising it over the coming weeks. Creating promotional material or writing reflections about

	meetings you have enjoyed to make a unit newspaper.
<b>PERSONAL PROGRESSION</b>	Using self evaluation tools such as myers briggs to identify where you need to develop. Use this alone time and separation to make goals for yourself. Clean up your room and understand your needs better. Finding your ikigai.
<b>PROMISE AND LAW</b>	Read scout law and promise and reflect on it. Research a single line or phrase for example "Do what is right" learn what is right and wrong. Learn about spiritual beliefs. Have a group call discussing what it means to you.
<b>SYMBOLIC FRAMEWORK</b>	Create your own custom woggle at home to express your individuality. Design a unit tshirt, badge, scarf, ect. Learn about where each piece comes from eg. left handshakes history. Learn about Baden Powell's life story.
<b>YOUTH LED ADULT SUPPORTED</b>	Allow youth members to task or challenge each other with one small or activity they can do. Let youth develop programs or events for them to run. Give guidance as a leader to tasks they could do online. Give each youth member a 5 minute call sometime throughout the week, to just talk with them about their goals and what they want to do.

### Online Communication Methods:

**Discord:** Free, but complex

**Slack:** Free, but complex

**Skype:** Free and easy to use

**Team Speak:** Free, not too difficult to use

**Phone call:** 1 on 1 Calling only available

**Messenger:** Free, most people have it

**Email:** Free, everyone should have
